We urgently need your generous donations to fund local day care centres for poor children with downs syndrome, cerebral palsy, autism spectrum disorder, and intellectual disabilities (learning disabilities).

This is our second live appeal on ATN Bangla. Last year we were humbled by the generosity of supporters and viewers. We exceeded our target of £10,000 - and were able to open a brand new centre in Sylhet Town and support an existing one in Korail Slum, Dhaka. THANK YOU!

Help us reach our target of £20,000 this year - so we can double the number of vulnerable children we are reaching.
